Hecker Fire Department Receives New ISO Rating

The Hecker Fire Department receives a new ISO rating of a 4. The fire department was audited last July by ISO(Insurance Services Office, Inc). ISO is hired by insurance companies to rate fire departments so they can determine what your fire protection level is and insure you accordingly. Hecker Fire Department's in town rating went from a 6 to a 4. Therefore depending on how your insurance company utilizes this score your premiums may go down. Check with your agent for detail. This also applies to any out of town residents 1000 ft or less from a fire hydrant.

To help with keeping our streets plowed during snow storms : Please keep vehicles off-street when possible when snow storms are predicted. Thanks for your help.

View and/or Pay Your Utility Bill Online

You can now view/pay your utility bill online at hecker.illinois.gov Viewing has no charge however paying online will have a service charge.
