Recurring Payments Will Make Your Life Easier:

- There are no service charges
- It's convenient (saving you time and postage)
- Your payment is always on time (even if you're out of town), eliminating late charges

Here's How Recurring Payments Work:

You authorize regularly scheduled charges to your checking or savings account. You will be charged the amount indicated on your utility bill. Once you are enrolled on the bottom of your bill you will see "Draft Bill" and you need not send in payment as it will automatically be debited from your indicated bank account.
