Zoning Reminders

Zoning permits are required for the placement of all accessory structures including sheds, car ports, pools, fencing, decks, animal shelters, kennels that are over 100 square feet. Also requiring a permit is canopies and awnings.

Grass clippings cannot be discharged to any public street as this causes drainage issues as well as is a safety concern.

An inspection and occupancy permit is required any time a living unit changes occupancy. Questions, Call 473-2300 x13
