New Utility Billing System is Live

The village was forced to change utility billing systems. If you pay by cash, check or Auto-Pay(ACH) there will not be any functional changes all will be the same just a different look. If you pay online you will need to enroll in our Illinois E-Pay System at <https://hecker.illinois.gov/viewpay-bill/> You will need to know your account number which is on the bill you receive. You can also pay zoning, UTV and park fees on our Illinois e-Pay site. If you need help with your new bill or enrollment please give me a call at 618-473-2300 x 12 and leave a message and I will call you back. eCheck is only \$.50 and credit card fees are much cheaper than our previous vendor.
